

National Craft Assessment and Certification Program S P E C I F I C A T I O N S

Electrician Level One (L1ELEC26_02) Released March 2009

Overview

This written assessment is a two-hour, closed-book examination. You will be permitted to use a basic function, non-printing calculator during the examination. The assessment center will provide any necessary pencils. No extra papers, books, notes or study material are allowed in the testing area.

Study Material

All NCCER written assessments are referenced to NCCER's curriculum modules listed in the content. You may order modules from Pearson (800.922.0579) or from NCCER's Online Catalog at www.nccer.org.

Assessment Development

All questions on each assessment have been developed and approved by subject matter experts from the respective craft. Assessment development and administration is under the direction of ProvTM, NCCER's testing partner.

Credentials

NCCER will send appropriate credentials (certificate, wallet card, and official transcript) to the assessment center upon successful completion of the written assessment.

Training Prescription Reports

Each candidate will have access to individual results of the written assessment from Prov's website at www.provexam.com. This training prescription will include the overall score and results by topic area.

National Registry

Assessment results will be maintained in NCCER's National Registry and become a part of each candidate's assessment records. These records are stored and become a portable record of the candidate's training and assessment achievements.

Focus Statement

This assessment covers all of the competencies and objectives for the first level of *Electrical* in NCCER's Standardized Curriculum.

Written Assessment Contents:

Module Number	Topic Area	# of Questions
26101-05	Electrical Safety	8
