

# National Craft Assessment and Certification Program SPECIFICATIONS

## Heavy Equipment Operator: Scrapers (HEOS22)

Released February 2010

### Overview

This written assessment is a one-hour closed-book examination. You will be permitted to use a basic function, non-printing calculator during the examination. The assessment center will provide any necessary pencils. No extra papers, books, notes, or study materials are allowed in the testing area.

### Study Material

All NCCER written assessments are referenced to NCCER's curriculum listed in the content. You may order modules from Pearson (800.922.0579) or from NCCER's Online Catalog at [www.nccer.org](http://www.nccer.org).

### Assessment Development

All questions on each assessment have been developed and approved by subject matter experts from the respective craft. Assessment development and administration is under the direction of Prov™, NCCER's testing partner.

### Credentials

NCCER will send appropriate credentials (certificate, wallet card and official transcript) to the assessment center upon successful completion of the written assessment.

### Training Prescription Reports

Each candidate will have access to individual results of the written assessment from Prov's website ([www.provexam.com](http://www.provexam.com)). This training prescription will include the overall score and results by topic area.

### National Registry

Assessment results will be maintained in NCCER's National Registry and become a part of each candidate's training records. These records are stored and become a portable record of the candidate's training and assessment achievements.

### Focus Statement

A scraper operator knows the duties and responsibilities of operators, as well as safety rules, and operator preventive maintenance duties. He/she masters scraper techniques and scraper safety.
